

Michelle Angelo

- Michelle: Hello Neo. Is he here yet? *(Referring to Cosimo whom doesn't like Michelle)*
- Neo: No
- Michelle: Good. I thought for a moment there I was going to come in late. I didn't want to steal his thunder.
- Neo: You steal everything Michelle regardless of your entrance...my heart, my soul, my life, my breath...I've missed you!
- Michelle: It's only been a couple of hours Neo!
- Neo: It has seemed like an eternity to me. Come...sit. Everything is ready. You should see the cake. It is stupendissimo!
- Later:*
- Michelle: *(Referring to Margarita and Cosimo)* You think they have something going on?
- Neo: Cosimo and Margarita? Who knows. They friends.
- Michelle: I always thought he's end up with Cara.
- Neo: Si. Cara...she likes Cosimo.
- Michelle: She likes you too.
- Neo: What you expect? I'm like a father to her.
- Michelle: You like father to all your staff Neo. Just one big happy family at Politana's.
- Neo: *(Reaches to hug Michelle)* Soon to be a bigger happy family.
- Michelle: *(Avoids the hug)* Neo?
- Neo: Si, my love?
- Michelle: I thought I saw Cosimo in the alley before I came in tonight.
- Neo: The alley? By the kitchen door?
- Michelle: Maybe not. It was dark. What were you saying about a big happy family?
